

Habitat Management, Landscapers and Lawn Care Serving Leelanau, Grand Traverse and Benzie Counties

(updated December 2023)

Often forest landowners would benefit from a level of professional assistance that is not funded by the Forestry Assistance Program. This list contains folks who offer various natural resource management services and work in Leelanau, Grand Traverse and Benzie counties. This list was compiled from the yellow pages and official websites of each business. Leelanau Conservation District intends zero bias with this list and the fee structure of each business varies.
