

## Mills Serving Leelanau, Grand Traverse and Benzie Counties

(Updated December 2023)

*Often forest landowners would benefit from a level of professional assistance that is not funded by the Forestry Assistance Program. To assist landowners who desire that level of technical assistance, we have compiled a listing of saw mills. This list was compiled from the official websites of each business, other local natural resource professionals, and the yellow pages. Leelanau Conservation District intends zero bias with this list and the fee structure of each business varies.*

*For more information please visit <https://www.leelanaucd.org/forest-management-services.html>
