

Tree Care Professionals

Serving Leelanau, Grand Traverse and Benzie Counties

(updated February 2024)

Often forest landowners would benefit from a level of professional assistance that is not funded by the Forestry Assistance Program. This list contains professionals who offer a variety of tree care services: tree removal, pruning/trimming, disease/pest treatments, etc. This list was compiled from the yellow pages and official websites of each business. Leelanau Conservation District intends zero bias with this list and the fee structure of each business varies.
